April 12, 2020

Good Afternoon Parents/Guardians,

We had a short week this week, celebrating Good Friday and being off on Easter Monday. We will be back to class on Tuesday April 14, 2020.

Concerns

We will continue to work with our students daily at 10:00 until 12:00 for both Lower and Upper Grades. Our upper grades will have a lunch break at 12:05 – 1:05 p.m. They will log back into the computer at 1:05 – 2:05 p.m. We notice that some of our upper graders are not logging in on time, leaving their filters over their faces, not sitting at a table, coming into the virtual classroom with head ties, hoodies, eating during class time. Parents please emphasize with your children the importance of your children coming into the virtual classroom looking acceptable, being on time to the classroom, not eating during class, sitting at a table, not covering their face during instructional time and following the virtual classroom rules. If your child does not log back into the virtual classroom, in the afternoon, they will be marked absent for the afternoon session.

Tuition

If you have not paid your tuition for the past month and your employment situation has changed, please give Mrs. Ferguson a call. Otherwise we are encouraging parents to please pay your tuition via cash ap, or mail your checks to the school.

Enjoy the rest of your long weekend.

Mrs. Ferguson

Principal/Lead Teacher
